Three divorces on the uncontested list of the superior court in Norwich Friday were granted by Judge George E. H. H. and decision was reserved in two other cases heard by him.

## DANIELSON

(Continued from Page Six)

Mr. Danielson was the funeral director. Mr. Knox's death was caused by a car. He had been ill for three weeks and for two weeks had been confined to his home. He had been a resident here for five years and was employed as a weaver by the Asawaga Woolen company of Danville. Before coming to Danville, Mr. Knox and his family lived at Greenville, R. I. He leaves his wife and a son, Irving S., his father, John Knox, Sr., of Moore's, a sister, Carrie Knox of Moore's and a brother, John Knox, Jr., of Sterling.

Miss Katherine D. Aylward, Miss M. Elizabeth Dunn, Blanche Gauthier, Jennie Williams and Mrs. Ethel Richmond motored to Willimantic Friday evening and were guests of members of the operating force of the Willimantic division of the S. N. R. T. company.

A minimum temperature of 10 degrees above zero was recorded at a number of places at from 6 to 7 o'clock Friday morning. This is the low mark so far this winter and resulted in the freezing over of the Asawaga river, which is absolutely unsafe for skaters, however.

A suggestion was heard from the outside Friday that it would tend to greatly revive and create much additional new interest in the Killingly Thift Detecting society if, when the organization, assembled for its annual meeting next week, some favorable action is taken toward placing the society to active work in hunting down automobile thieves. Thefts of automobiles have become so numerous during the past two years as to arouse police departments and to cause insurance companies writing automobile theft insurance to run to cover in some cases, while others have been bankrupted by the losses.

Thift detecting societies like the one that has been so long and honorably established in this town were chiefly created in the old days to hunt down horse thieves, now a decadent occupation, as note the list of pursuers elected by such societies each year.

The horse thief has practically vanished from this section of the country and for this all are duly thankful, but in his place has risen a more dastardly modern operator who specializes in stealing automobiles. To the thousands of car owners who do not carry their insurance, the automobile thief is a constant source of worry. He may pouch upon any car at any time, and catching him is anything but a holiday job.

If the Killingly Thift Detecting society would take some action along the line of putting itself on par with the police, devote its energies to hunting motor car thieves, from which this section has been quite free though there is no guarantee of prolonged immunity, between \$50 and \$100, amounting to \$28.50.

The suit of George E. Dukes against Maria Dukes was off the list, and the case of Susie Williams vs. Harold J. Williams was postponed.

Duck Hunter Pays \$28.50

Howard Rogers of Waterford was arrested on Thursday afternoon by Deputy Game Warden Lewis A. Ross on the charge of snatching without a license. H. was caught in the act of shooting a duck and had the duck in his hand when arrested. He pleaded guilty to the charge when presented before Justice of the Peace Thomas F. McKen at Quaker H. Friday afternoon and was fined \$7 and costs, amounting to \$28.50.

to several hundred members of holiday savings clubs. This is a rather new plan to be shared among the club members and by them distributed for the most part in doing Christmas shopping. In the past, the money was specifically saved to buy Christmas gifts, but now it may be used for anything. The plan is to have a Christmas shopping list, which will be sent to the members of the club. They will be asked to fill out the list and to bring it to the club. The club will then be able to purchase the gifts for the members. This is a very convenient plan and one which will be very popular.

Industries that will give you employment and thereby make you happy and prosperous. Give them first chance—you owe them at least that as their fellow citizens and co-workers; they are members of the big community. Put the Danielson shopping list at the head of your Christmas shopping list. If they fail to make good in meeting your demand for holiday lines you at least have been loyal to those who are loyal to you, and you have every right without a regret, to shop elsewhere. A sample of the hand jazz with which Danielson street crowds have become familiar this week was bestowed upon Putnam on a dapper towne barabours Friday as a way to a jazz dance held in the town hall Friday evening.

Mrs. A. V. Woodworth visited relatives in Willimantic Friday. Members of the Woman's missionary society of the Baptist church held a meeting with Mrs. Homer Brown of Oak street Friday afternoon.

Mrs. Esther Jacobs will have the members of the W. C. T. U. at her home for a meeting Tuesday afternoon. John C. Denton of Meriden was a visitor with friends in Danielson on Friday.

At a very service to be held at the Congregational church Sunday afternoon there is to be an address and special musical program.

Mrs. Andrew Crumley had members of the Ladies Sewing society of St. Alban's church at her home for a meeting Friday afternoon.

New Haven—Young Earl Hummiston, attending the Boardman manual training school, monkeyed with a buzz saw with this proverbial result. He was struck in the body by a piece of hard wood hurled by the saw and was badly hurt, but will recover.
